Subject: Important Legal Notice - You Could Get Money from a Settlement Involving TVs and Computer Monitors

This Notice is authorized by the U.S. District Court for the Northern District of California in the case entitled *In re: Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917. This is not a solicitation from a lawyer.

**For complete information visit the settlement website: [www.CRTclaims.com](http://www.CRTclaims.com)**

A class action Settlement has been reached with Mitsubishi Electric Corporation involving Cathode Ray Tubes ("CRTs"), a display device that was the main component in TVs and computer monitors. The lawsuit claims that Mitsubishi Electric conspired with other CRT manufacturers to fix the prices of CRTs, causing consumers to pay more for CRTs and products containing CRTs, such as TVs and computer monitors ("CRT Products").

If you indirectly bought televisions, computer monitors, or other products containing CRTs, you could get money from this Settlement totaling \$33 million.

"Indirectly" means that you purchased the CRT Product from someone other than the manufacturer of the CRT Product. For example, you bought a CRT television from a retailer, such as Best Buy, or a CRT monitor from Dell.

A Simple Online Claim Form and more detailed notice of the Settlements is available online at <active link> [www.CRTclaims.com](http://www.CRTclaims.com) </active link> or by calling toll-free at 1-800-xxx-xxxx.

If you previously submitted a valid claim as an end user for indirect purchases of CRT Products in related prior settlements (*In re: Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917 (N.D. CA)), you do not have to resubmit your claim to benefit from this Settlement unless you have additional purchases to claim.

The amount of money you will receive depends on the type and quantity of CRT Products you purchased and the total number of claims made. Eligible claimants are expected to receive a minimum payment of \$10.

Please read the notice carefully. Your legal rights may be affected whether or not you act.

You can make a claim for money if you indirectly purchased CRT Products, for your own use and not for resale, in Arizona, Arkansas, California, the District of Columbia, Florida, Hawaii, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico,

New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia or Wisconsin (the "Settlement Class").

The purchase must have been made in one of these states but you do not have to be a resident of these states. Purchases in Missouri, Montana and Rhode Island must have been made primarily for personal, family or household purposes.

Purchasers in nine additional states are included in this Settlement with Mitsubishi Electric Corporation that were not included in prior settlements involving indirect purchases of CRT Products. The nine additional states are: Arkansas, Massachusetts, Missouri, Montana, New Hampshire, Oregon, Rhode Island, South Carolina, and Utah.

**Be sure to check your eligibility by going to <active link>  
[www.CRTclaims.com](http://www.CRTclaims.com) </active link>.**

If you do nothing, you will be bound by the Court's decisions. If you want to keep your right to sue Mitsubishi Electric, you must send a written request to the Class Administrator for exclusion from the Settlement Class by XXXX xx, 2023. The Court will exclude any class member who timely requests exclusion. If you stay in the Settlement Class, you may object to the Settlement by XXXX xx, 2022.

The Court will hold a hearing on XXXX xx, 2023 at xx:xx p.m. to consider whether to approve the Settlement and a request for attorneys' fees up to one-third of the Settlement Fund, plus reimbursement of litigation expenses, and awards to Class Representatives. This date may change so please check the website. You or your own lawyer may appear and speak at the hearing at your own expense.
